RE-VIVIR EL CANAL

A collection of red icons representing various urban and environmental elements, arranged in a grid-like fashion. The icons include:

- A water drop in a basin.
- A bird in flight.
- A tree and a bench.
- A storefront.
- A classical building facade.
- A water drop in a basin.
- An umbrella.
- A dollar sign.
- A building with an upward arrow.
- A car.
- A map of a city with a red line and a black line.

RE-UTILIZAR EL AGUA

RE-VIVIR EL CANAL

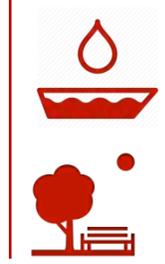

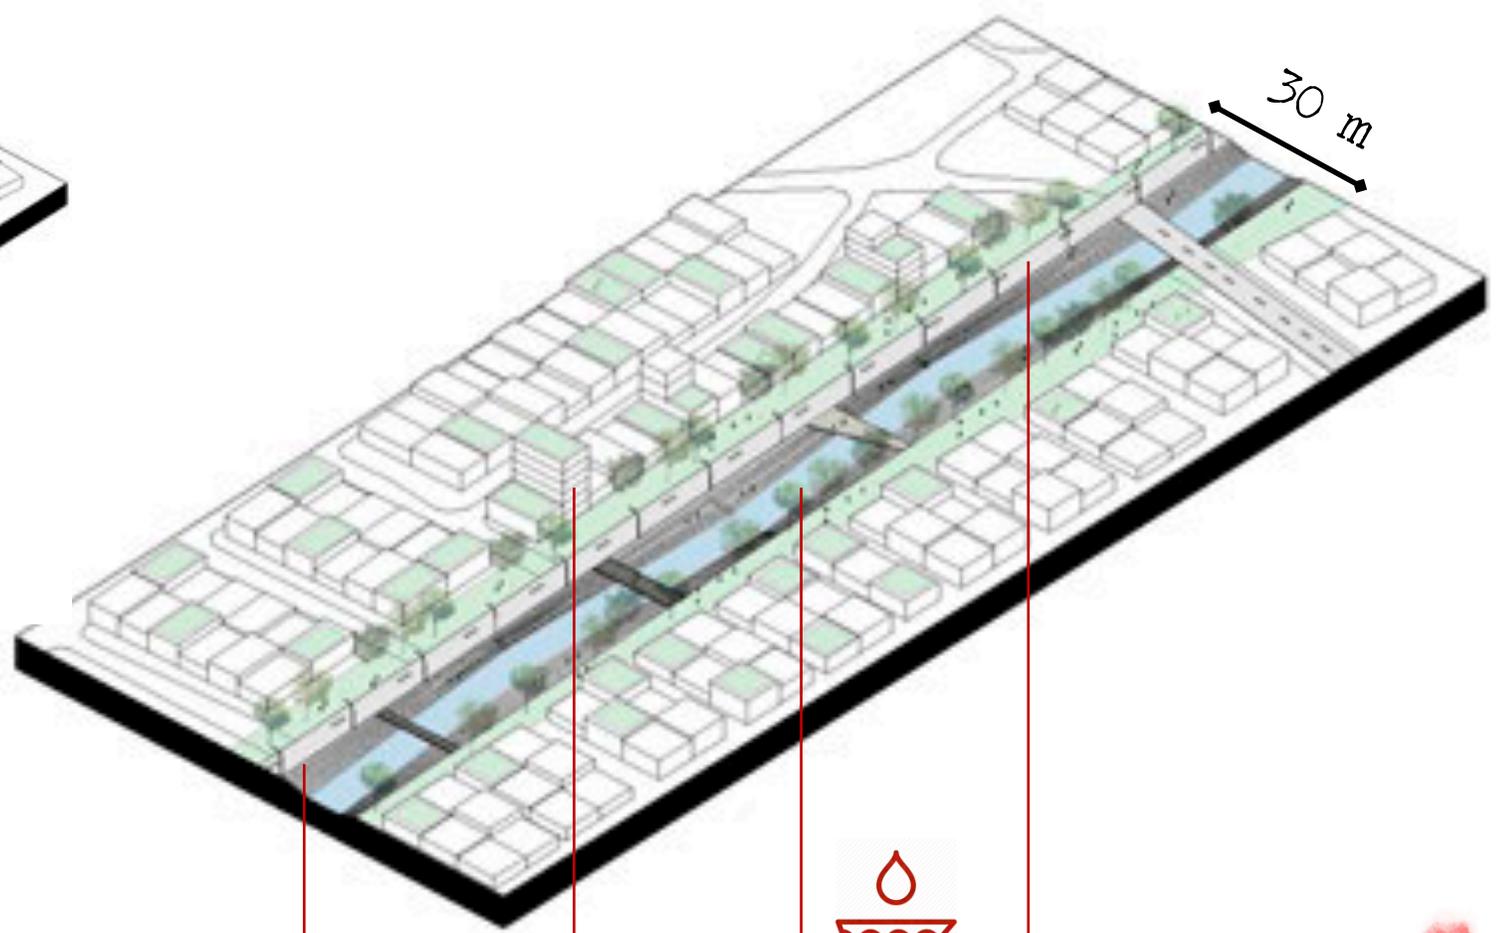

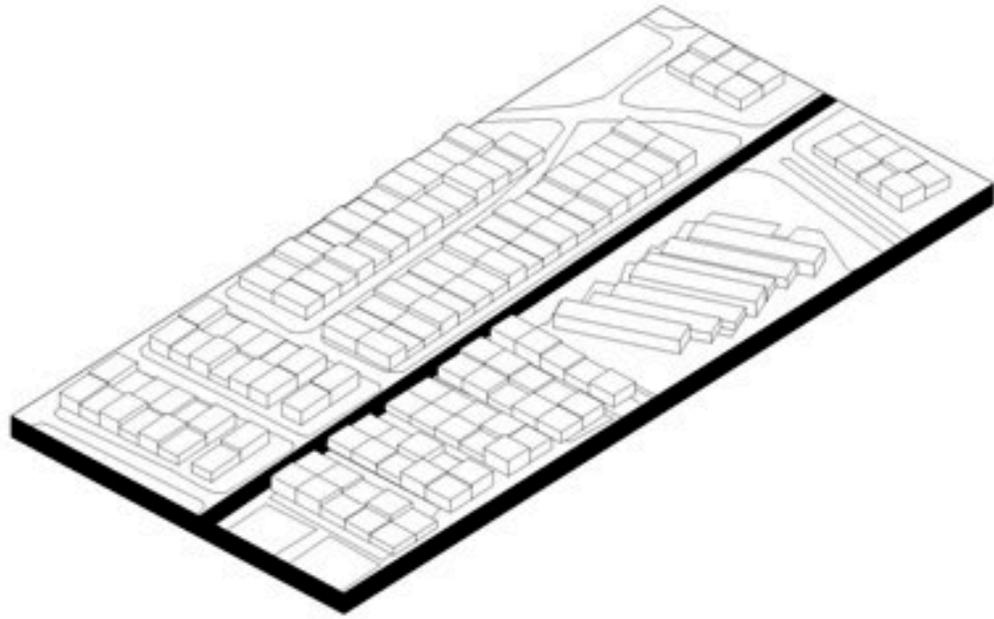

A series of icons and a map illustrating water reuse and urban development. The icons are arranged in four vertical columns, each connected to a specific area of the 3D model above by a red vertical line. The first column shows a water drop in a basin, a hand holding a leaf, and a tree with a bench. The second column shows a toilet, a washing machine, and a water drop in a basin. The third column shows a water drop in a basin, a bird, and a tree with a bench. The fourth column shows a water drop in a basin, an umbrella, and a map of a city with a red line indicating the canal's path. To the right of the map are icons for a building with an upward arrow and a dollar sign, representing economic growth.
